REQUEST TO OPT OUT OF CURRICULUM CONTENT

Public Schools have the responsibility to provide an education that provides students with the knowledge and skills to be successful adults and meaningfully contribute to our society. This starts with an education that stimulates educational curiosity, an understanding of multiple perspectives, and knowledge to make informed decisions. At the same time, Illinois law allows parents/guardians to only opt their student out of specific curriculum areas noted below.

- Sex education
- Family life class
- HIV/AIDS;
- Avoiding sexual abuse
- Instruction on organ/tissue and blood donor and transplantation programs (HS only);
- Animal dissection;
- Cardiopulmonary resuscitation (CPR) administration or automated external defibrillator (AED use)

If you do not want your student to participate in one or more of these areas, please complete this request form and return it to Kelly Lynn, Assistant Superintendent of Learning and Teaching at klynn@sd12.org. A student will not be penalized for not participating in this curriculum or content area and will be assigned an alternative assignment or activity. Check the box to opt the student out of a specific curriculum area.
