## *Weekly DuPage County COVID-19 Metrics for Schools*

This week DuPage County remains at the substantial level of transmission. Our daily case count and our positivity rate both continue to climb at an alarming rate; however, we are not seeing this translate to increasing rates in our schools. **Important Note: The metrics are always for the week prior to posting.** For now, we are continuing with in-person instruction. We will continue to monitor closely, and we will continue to speak with the DuPage County Health Department weekly.

At the end of ten weeks of school, we have had 7 cases of COVID-19.

## *Third and Fifth Grade Remote Learning Classrooms*

Our third and fifth grade classrooms will be seeing additional certified teacher support for small group instruction. For our students who were at Spring Hills prior to this year, this will be a familiar face. For our students who are new to District 12, this will be another staff member with whom to build a positive relationship.

## *District Web Site*

Our new [web site](#) is up and functioning. I encourage you to check it out. Links to each weekly newsletter are on the site. You may find the link to those in the top section of this newsletter along with upcoming dates and events. If you are unable to find information you are looking for on the district website, please contact Mrs. Dumelle at the district office at 630-529-5091.

## *Tuesday, November 10 Board of Education Meeting*

We will hold a special Board of Education meeting on Tuesday, November 10 at 6:00 p.m. This meeting will be held virtually and livestreamed on YouTube. The link will be sent to families at approximately 5:45 p.m.

This board meeting will be a discussion among the board about possible learning options for the second half of the school year. There will not be action taken until the November 17 Board of Education meeting.

Public comments for the November 10 meeting may be submitted [here](#). Comments will be accepted up until the end of the board discussion and will be read aloud at the end of the meeting.

## *Lunch Supervisors*

We are looking to hire additional lunch supervisors. Please call the district office at 630-529-2091 or either school office if you are interested.

Thank you for your continued support and engagement with the district!

Sincerely,

Dr. Mary Henderson, Superintendent
