Fall Pictures

We will not be doing fall school pictures. We are planning to have spring pictures and will work with our photographer for a new date.

DuPage County COVID-19 Metrics for Schools

Please see the attachment on the metrics used by school districts to make decisions about opening schools and adjusting plans in response to increases or decreases in cases. Please watch the five-minute [video](#) that explains the framework and includes how to look at data for the county and for Roselle. The data dashboard for DuPage county may be found [here](#).

Arrival at School

Please be mindful of the fact that this year we have additional students who are dropped off at school each day. Many of our families who typically take a bus are driving their students if they can so that those who can't are able to have a spot on a bus. This is such a great example of our community working together for the benefit of all! Safety is always our first priority, and we are asking for patience during arrival at school. We work closely with the Roselle Police Department and will contact them if we need support with speeding through our drop-off area, using a cell phone while driving on school grounds or other unsafe behavior. Please do your part! Each school has staff supporting arrival, and we ask that you follow their instructions each day.

It has been another terrific week of learning as we wrap up Week 2! Enjoy the long weekend, and we look forward to seeing your kids on Tuesday, September 8th.

Sincerely,
 Dr. Mary Henderson, Superintendent
