

# School District 12 Update

September 9, 2021

*From the Desk of  
Dr. Mary Henderson*

## [2021-22 School Year Calendar](#)

**Regular monthly Board of Education Meeting: Tuesday, September 21 at 7:00 p.m.**

**Next SMART Day: Wednesday, September 22, 2021**

**Illinois Department of Public Health [Trend Data](#)**

**DuPage County Health Department [Data Dashboard](#)**

Dear Roselle D12 Families,

We continue to settle into our school year routines as we come to the end of our fourth week of school. This week our grade level teams reviewed start of year assessment data in order to identify students who may require additional academic interventions to support their learning. Parents will receive additional information with specific details if their child will be placed in an intervention. Typically interventions take place during each grade level's WIN (What I Need) time but could also take place at different times throughout the school day based on the child's needs.

## ***COVID-19 Metrics and Information***

While we remain hopeful with the news that last week's metrics improved slightly, we remain in the high level of transmission in the community. Our next meeting with the DuPage County Health Department will take place on Monday, September 13.

We currently have had five positive cases of COVID-19 in the district. We are not seeing positive cases as a result of school exposure/spread.

### *Supporting Students During Periods of Quarantine or Isolation*

As a reminder to all families, students invited to join their classes remotely are for COVID-19 quarantine or isolation purposes only. If your child has to miss a day of school for a non-COVID illness or parent excusal absence, we will support their catch up when they return.

### *Who Do I Contact with Questions or Concerns?*

With many new families, it is always helpful to review communication protocols:

1. Questions or concerns about your child's classroom: Please contact the teacher directly, either by email or leaving a message with the school office. If, after communicating with the teacher, the issue is not resolved, please contact the school principal.
2. Questions or concerns about school operations: Please contact the school principal.  
Spring Hills: Mr. Lew Girmscheid ([lgirmscheid@sd12.org](mailto:lgirmscheid@sd12.org))  
Roselle Middle: Mr. Nate Molby ([nmolby@sd12.org](mailto:nmolby@sd12.org))
3. If your issue is not resolved with the building principal or you have questions or concerns about the district, please contact me at [mhenderson@sd12.org](mailto:mhenderson@sd12.org).

Starting at the source of any question or concern is the most effective way to get information and have your concerns addressed. Thank you!

As the days get shorter, I hope your family finds time this weekend to be outdoors enjoying the continued summer weather!

Sincerely,  
Dr. Mary Henderson, Superintendent
