Dear Parent,

According to the Illinois General Assembly's Joint Committee on Administrative Rules dated October 24, 2005, all children in kindergarten and 2nd grade must show proof of a dental examination. The grade levels were determined by the development and eruption of the 6 and 12 year molars. This also gives the dentist the opportunity to apply dental sealants to these teeth to help prevent future cavities.

In order to comply with this requirement, parents must show proof of examination by a licensed dentist prior to May 15, 2025. The examination must have been completed within 18 months prior to the May 15th deadline.

If you have any questions or concerns, please do not hesitate to call the school office at (630) 529-1883.

Sincerely,

Violet Dahl, LPN  
Roselle District 12 School Nurse
