Dear D12 Families,

I am delighted to introduce Mr. Nate Molby as our new Roselle Middle School principal. Mr. Molby was approved by the Board of Education at our special board meeting this evening.

Mr. Molby joins D12 most recently from Schaumburg District 54 where he has served as the assistant principal at Keller Junior High for the last three years. Prior to District 54, he was the assistant principal at Westchester Middle School for three years. His teaching experience includes social studies at the high school and middle school levels as well as experience teaching at an alternative school. His wide variety of experiences in both large and small schools has prepared him for this next step in his career.

Mr. Molby and his family are already involved in the Roselle community and look forward to expanding their involvement through District 12. Please click here for a short [introduction](#).

A sincere note of appreciation to our students, staff, parents, and administrators who participated in the rigorous interview process.

### *Date Correction*

In an earlier email, I stated that the regular June Board of Education meeting will take place on June 18. **The correct date is Tuesday, June 15.**

Sincerely,

Dr. Marv Henderson. Superintendent
